

# Night of the Living Beauty Pageant

- **THANK YOU TO EVERYONE WHO AUDITIONED. YOU SHOULD ALL BE VERY PROUD!**

This was a very difficult process with over 80 talented students wanting to participate. Please realize that every show is different and it doesn't mean that you had a bad audition if you are not on this list. Many things go into determining the final cast and crew. Please continue to audition for shows and apply for stage crew in the future! The spring musical will audition in January and will have a much larger cast and crew.

- **If your name does not appear on this list** you will be kept on a wait list in the event that additional roles or positions open up.
- **If your name appears on this list** please read the additional information on the bottom. IT IS VERY IMPORTANT!
